JAC International Opens Osaka Office

~Strengthening Recruitment Support for Foreign
and Global Companies in Western Japan~

JAC International Co., Ltd (“JAC International”), a subsidiary of JAC Recruitment Co., Ltd.—a leading recruitment firm operating in 11 countries worldwide (Co-Founder, Executive Director, Chairman & CEO: Hiromi Tazaki)—has opened its Osaka Office in Osaka City, Osaka Prefecture, commencing operations on Tuesday, 13 January 2026.

JAC International specialises in introducing highly skilled specialists and management professionals, primarily to foreign-affiliated and global companies. Until now, our expert consultants, each with deep industry and functional expertise, have supported global talent recruitment and career transitions nationwide from our Tokyo office. However, in Osaka—home to many manufacturers and global companies—demand for mid-management to senior executive recruitment has been rising in recent years. To provide more timely and locally tailored services in the Kansai region, centred on Osaka, we have established the new Osaka Office.

JAC International offers a fully bilingual service, ensuring all candidates are interviewed in both English and Japanese to meet the needs of global businesses. The new Osaka Office will be led by Mark Steward as Head of Osaka, bringing extensive experience in international recruitment and leadership. With this local presence, we aim to deliver faster, more tailored solutions for companies in the Kansai region while maintaining the high standards of quality and professionalism that define JAC International.

Leveraging JAC Group’s global network of 34 offices across 11 countries, we respond to the recruitment needs of companies expanding overseas and foreign-affiliated firms. The Osaka Office will further strengthen these connections, aiming to serve as a “hub linking domestic and international talent” in Western Japan.
